## Continuing Education Requirements.

Pursuant to the Code Section below, PMPV/VAPHCC (Plumbing & Mechanical Professionals of Virginia/Virginia Association of Plumbing, Heating Cooling Contractors) will be offering, at different times and locations throughout the Commonwealth of Virginia, Continuing Education Classes in Plumbing Code, Mechanical Code, and Fuel Gas Code.

The dates and locations may be found on our website, [www.pmpv.org](http://www.pmpv.org), and as soon as registration forms are available, they may be downloaded from the website. For a list of other approved providers of continuing education, please go to [http://www.dpor.virginia.gov/dporweb/tra\\_approved\\_continuing\\_edu.pdf](http://www.dpor.virginia.gov/dporweb/tra_approved_continuing_edu.pdf) where DPOR will list all approved providers of continuing education for the trades.

PMPV/VAPHCC is by no means the only source of these classes, but as a service to all Plumbing, HVAC and Fuel Gas contractors, we will provide classes as often and in as many locations as we possibly can. If you have any further questions, please feel free to call us at 800-947-7450.
